How to Find Us:

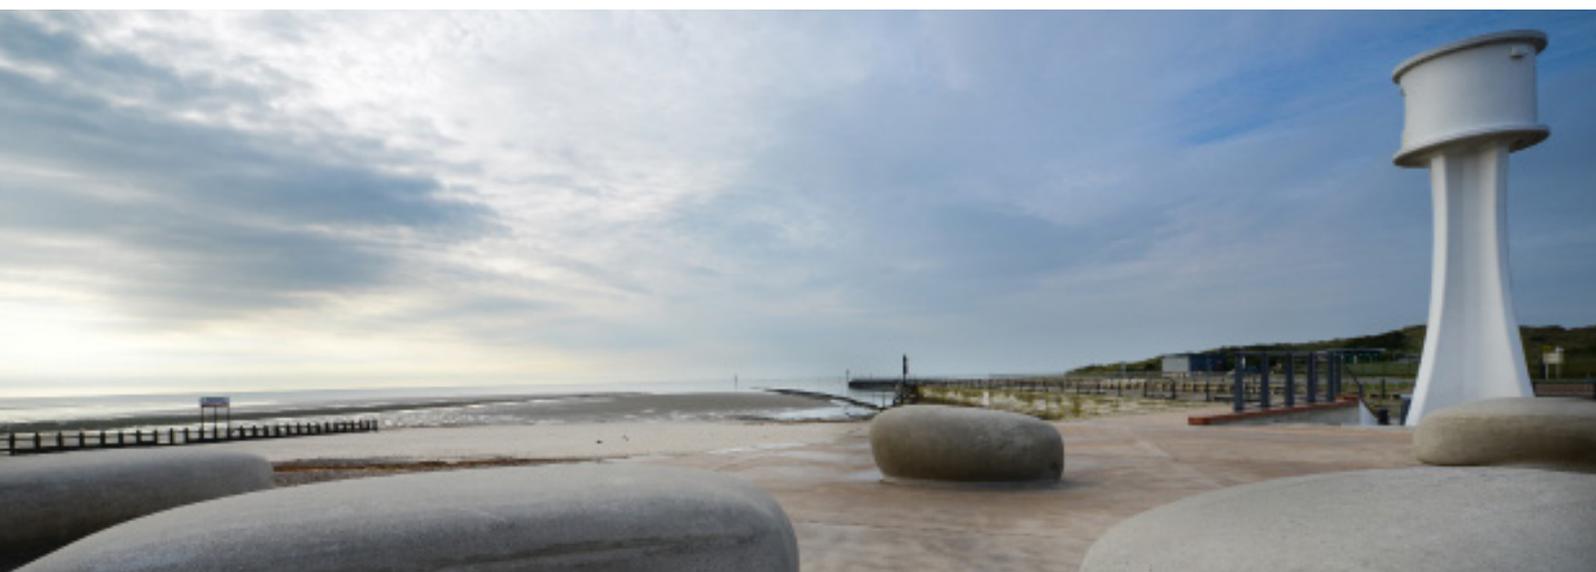

Littlehampton Museum is located in the heart of the town, just past the bottom of the High Street. The town's beautiful riverside and seafront attractions are just a 15 minute stroll away.

By Rail: Littlehampton Museum is a 5 minute walk from the town's railway station, with an approximate travel time of 1hr 40mins from London, 45 mins from Brighton, and 25 mins from Chichester.

By Bus: The 700 coastal bus route arrives at the Anchor Springs bus terminal, just 2 minutes walk from the museum.

Car Parking: If you want to visit to carry out risk assessments or plan your day in advance, parking disks can be collected from Reception which allow 2 hours free parking at the Manor House Car Park next to the Museum.

Frequently Asked Questions:

- ***Does the Museum Team run educational sessions?***
We do not currently offer staff led sessions, but you will find resources for self led visits in the 'Learning' section of our website. We can often produce Museum trails tailored to your needs with advance notice.
- ***How many children can I bring in the galleries?***
The maximum group size for children is approx. 20 children, for larger classes we suggest splitting the group in half and alternating between another activity/lunch.
- ***Do you have toilets?*** Yes, with prior notice, ground floor toilets can be made available for the duration of your visit.
- ***Is there a space we can have lunch?*** In fair weather there is a green space outside the Museum suitable for picnics. An indoor space can occasionally be made available - prior notice is essential.
- ***Do you offer a loan box service for follow up activities?***
We do! We charge just £5 per week for each loan box. For the full list of our resources please see the 'Learning' page on our website.
- ***Do you have a Risk Assessment?*** Yes, although we always encourage teachers to conduct their own risk assessments prior to a visit. The Museum version can be downloaded from the 'Learning' page on our website.
